## Google UX Design

Those who earn the Google UX Design Professional Certificate have completed seven courses, developed by Google, that include hands-on, practice-based assessments and are designed to prepare them for introductory-level roles in UX design. They can complete the design process from beginning to end: empathizing with users, defining their pain points, coming up with ideas for design solutions, creating wireframes and prototypes, and testing designs to get feedback.

Amanda Brophy  
Global Director of  
Google Career  
Certificates

Este certificado acredita que el estudiante completó un programa en línea impartido a través de Coursera. No constituye una inscripción formal en ninguna universidad o entidad, ni otorga por sí mismo créditos académicos, calificaciones o un título. Las instituciones u organizaciones pueden, a su discreción, reconocer este aprendizaje para sus propios programas o credenciales.
